

LONG ISLAND FUTSAL LEAGUE, INC. www.lifutsal.com

HISTORY OF THE GAME

The origin of Futsal can be traced back to Montevideo, Uruguay in 1930, when Juan Carlos Ceriani devised a five - a -side version of soccer for youth competition. The game is played on basketball -sized courts, both indoors and out, using a technically modified, leather low bounce ball without the use of sidewalls.

The skill developed in this game is visible in the world-famous style the Brazilians display outdoors on the full size field. Pele, Zico, Socrates, Bebeto and other Brazilian superstars developed their skill while playing Futsal. Futsal is now played, under the auspices of FIFA (Futsal is the ONLY indoor game approved by FIFA) all over the world. U.S. Futsal is establishing itself at the youth level, and has conducted a National Youth Championship since 1985. This year's National Championship will be held in Las Vegas.
